March & April, 2022

God is faithful. This faithfulness, the essence of what God is, was the basis of what I recently taught the students at Fires of Evangelism Bible College in Bartlett, Illinois. The class was

“Faithfulness in Ministry”. The only way that we can be faithful to God and ministry is because of the faithfulness of God and the mercy of God. It was a pleasure to meet these students, invest in their lives for five days, and challenge them to give attention to the small things and keep doing God’s will each day. Pastor Fernandez kept me busy, not only teaching the college classes, but also speaking on Sunday and bringing chapel messages for the grade school and the college during my stay.

In a preachers’ meeting in Georgia, I was also able to teach a number of Spanish-speaking pastors. We spent time on faithfulness to God’s Word in doctrine (election was our focus). The men were quite grateful for what I taught.

On the 10th of March, Robin and I went to Florida to attend the funeral of Adam Burgos (fruit from our ministry in Tampa, 2001). There, we rejoiced in God’s faithfulness to save dear folks we ministered to in the past and urged them to continue in the faith. We reminded some relatives

of Adam to trust Christ as Savior. From Tampa we went to Margate, Florida, where I preached for the church there and visited our daughter, Christina, whose baby girl just turned one year old. Praise the Lord for GRANDKIDS!

As we continue to “plug away” faithfully at preparing, planning, and praying for conferences, please be faithful in praying for your servants to the Spanish-speaking world. In our Monterrey conference, 109 pastors attended and 45 brethren surrendered to the Lord for full-time service. In April, our yearly conference in Campeche takes place, while a new conference in Costa Rica will occur in May. If you want to see what our conferences are about, feel free to join us in Bartlett, Illinois, June 20-23.

Also, if you or someone else is looking on how to assist Ukrainian refugees, contact our mission agency office for more information or send donations to BIO (Baptist International Outreach) designating the gift “Ukrainian Refugee Relief”. BIO has a missionary who is ministering to the refugees arriving into Romania.

By God’s mercy and faithfulness,

Victor & Robin Rouse
