"And this is the confidence that we have in him, that, if we ask any thing according to his will, he heareth us." (1 John 5:14) We are so thankful that our God hears and answers prayer, and we are thankful for faithful friends and supporters who pray for us. **Thank you for you praying!**

One of the worst things that we could have ever heard at BIO we heard in February. Joel Desir, one of our missionaries, had been kidnapped. We thank the Lord for answering our prayers for wisdom, for protection, and for the release of

our missionary. We also thank the Lord that after a time of care and rest our missionaries have returned to Haiti. Please continue to pray for Joel and Lottie Desir. God has used them to plant two growing churches. A third church has been started. **Thank you for praying!**

Our first BIO Missionary Table Talk was a success. We are planning our second Table Talk in conjunction with our BIO Fall Meeting. Dr. William Duttry has agreed to be our keynote speaker this year. You can visit [www.biomeetings.org](http://www.biomeetings.org) for more information. **Thank you for praying!**

We always appreciate the opportunity to minister to missionaries through BIO's

SMART Ministry. I had the opportunity to teach on cultural adjustment and share my experience as a missionary in Samoa. **Thank you for praying!**

I mentioned in our last prayer letter that Nicole was having knee replacement surgery. The surgery was successful and, outside of a few difficulties, she is well on her way to recovery. She is planning to have the other knee replaced in July. **Thank you for praying!**

Nicole and I are caring for both of our moms. My mom is doing well, living independently, but close to us. Nicole's mom has dementia and will be moving in with us this weekend. **Thank you for praying!**

Jeremiah will be working this summer at Pensacola Christian College and begin classes again in the fall. Abby is finishing up her sophomore year at Lakeway Christian Academy. **Thank you for praying!**

I am currently planning another missions conference that will take place inside Avon Park Correctional Institute in Florida. This conference will take place at the end of July. Several of our BIO missionaries will be participating in this conference with me. We will also hear from the missionaries that the church within the prison supports via video. There is a lot to pull together to make this conference a success. Plus, there is a new chaplain. **Thank you for praying!**

Thank you so much for your prayers and support. We love you and pray for you!

John 10:16 "And other sheep I have, which are not of this fold: them also I must bring, and they shall hear my voice; and there shall be one fold, and one shepherd."
