## THE CHURCH

On July 17th we will be celebrating the church's fifth anniversary. The church has grown and new people have been coming - many being kids and teens. Our Sunday School classrooms are packed and barely able to handle them all!

We had a baptism this year and rejoice in the Lord for their desire to identify with Christ's body. Please pray for the continued Spiritual growth of the church people and that many more may know the Lord!

### KIDS & TEENS

Most of the kids have already accepted the Lord and we are discipling them. As many come from broken families and do not have positive role models, we are working on teaching these kids to live for the Lord and investing in their lives so they can love Him above all and be the future of our church.

### OUTREACH

As Brazilians love to party, we will be out in the streets inviting the people of our city to the celebration of the church's 5th anniversary. Please pray that visitors may come and be saved through the preaching of the Word, and that doors may be opened for further evangelism.

### TEA WITH CHRIST

Our "Tea with Christ" Ladies ministry has been very fruitful with many ladies attending and hearing the Word of God! Many young ladies have also been attending and we are excited to see their hunger to learn more about the things of the Lord!

### PROJECTS

Our next project for the church is the addition of new Sunday School rooms, a kitchen, and a fellowship hall. This will cost around \$50,000.

The church has been working hard to raise these funds through special offerings and fundraisers, but we are still far from the total amount. Please pray that the Lord may supply the finances for this project.

We have had 5 camps so far this year. The Lord has worked in each one, granting us a blessed time of fellowship and Bible-preaching. Each camp has had a record number of people attending and souls being saved. At our kids camp, 10 children gave their lives to the Lord!

## OUR FAMILY

It is a blessing to have Stanley and Kevin back home with us for the Summer. One of Stanley's friends was able to come down from the U.S. for a couple of weeks to help with preparations and during the kid's camp and was a great help and encouragement to us.

Please pray for the boys as they return to college in just over a month to continue their studies. Stanley only has three semesters left and Kevin still has three years. We are excited for what the Lord has for them in the future!

**THANK YOU FOR ALL THE PRAYERS AND SUPPORT!  
IN CHRIST'S LOVE,**

Peter and Zirlene will be celebrating their 30th Wedding Anniversary on July 24th. The Lord has been faithful throughout these three decades and we praise Him for the many blessings bestowed on our family and the opportunity to serve Him!
