June 2023 Prayer Letter

Dear Prayer Warriors,

We appreciate your continued prayers as we continue through language school. We have just finished our first quarter, and we are thankful for the Lord's help in getting us through so far. We also appreciate your prayers for our visa situation. While we are still waiting on full approval for our religious worker visa, we are able to get an extension of our current visa and we do not have to leave the country at this time. We would appreciate your continued prayers for this visa process.

During the month of July, we will have a break from language school for a few weeks. During this break, Iglesia Bautista Belén will be hosting a pastor's conference from July 17 to July 19 that we will be helping with. We would also appreciate your prayers for those traveling to this conference and that God would do a mighty work through this conference.

We would appreciate your prayers as we are working to save money and prepare for our move to Mexico. We are working on finalizing the details of our plans at this time, and I am also trying to save and plan for the finances needed for this next move. Thank you again for your help and prayers that got us here to Honduras, and we look forward to telling you how God will work out this next move in time to come!

Once again, I do want to thank you for your prayers for us: they are vital for us as we live on the foreign field. God has worked mightily through your prayers, and we know that He will continue to do so as His people pray.

In Christ's service,
