“Starting churches and training preachers in the Dominican Republic”

July – September 2023

Beloved Brethren,

My most sincere wishes are that the Lord would continue to use you with power and that your entire church would continue to grow in the love and knowledge of our Saviour.

The great need for the Gospel here in Santo Domingo makes me think of what our Lord said in **Matthew 9:37**, “. . . *The harvest truly is plenteous, but the labourers are few.*” Since our last letter, we have entered two new sectors to preach the Gospel. The first is the “*La Playita*” neighborhood about two kilometers from our church. We have won many people for Christ, and we are thinking of starting a church in that place. Please pray that the Lord would continue to manifest Himself with power and that many would continue to be saved.

The other place is the “*Barrio 16 de Agosto*,” where we started another route. We call it the “walkers’ route” because it is not far from our church. Literally dozens of people have come to know the Lord as their Saviour, and around 20 of these people have attended our church. We reached a family of 5 from Venezuela, and 4 of them are attending regularly. Eli has not been able to attend due to his work schedule.

I bring those places to your knowledge, because they both have a lot in common, such as a lot of immorality, vices of all kinds, violence, etc. Please pray that the Lord would protect us in these places; they are very dangerous.

Another great blessing for me as a missionary was being able to preach with my young son, Caleb Josías, who is serving the Lord as an evangelist. More than 700 young people were present. The Independent Baptist Evangelist Mission (MEBI) in the Dominican Republic invited us to be the preachers this year for their 2023 Youth Revival. Many walked the aisle consecrating their lives to the Lord, and some walked the aisle to be saved. We praise our God for this opportunity to be used for the edification and salvation of many.
