We praise the Lord for a busy summer. Since our last prayer letter—besides the usual things that keep us engaged at the home office and our home church—we have taken part in three significant events this summer.

BIO ENRICHMENT WEEK

Every year all of our BIO missionaries that are on deputation come together with our veteran missionaries that are on furlough for a week of edification and encouragement. This

year we had missionaries representing American Samoa, Cambodia, Ethiopia, Zambia and the Deaf in the United States. It was a fantastic week of fellowship

and instruction. We especially enjoyed spending time with the missionary kids!

AVON PARK MISSIONS CONFERENCE

I was not able to attend the missions conference at the Avon Park Correctional Institution in Avon Park, Florida this year because I was in Ethiopia. I was able, however, to help organize the conference and pull some things together. This year's conference was not without its difficulties; yet, the Lord blessed. There was one salvation and the prisoners were challenged in missions. They added a BIO Missionary headed to Zambia to their list of supported missionaries. We have already begun to discuss next year's missions conference along with other ways to encourage the prisoners at Avon Park.

EABM DEDICATION

On July 19, I left for Ethiopia with three men in my church to join a larger delegation that

dedicated the newly constructed East African Baptist Mission Training Center. Together, Ethiopian and American believers worshipped God and thanked Him for His wonderful provision. We are excited to see what God will do in East Africa through this new facility.

The day following the dedication the entire delegation loaded up on a bus and attended church in the Muslim territory of Langanu. We listened to brothers Temam and Abdul Rahman give testimony of their new found faith in the Lord Jesus. Temam was an Imam for his village. Both brothers have been kicked out of their village and their lives have been threatened. Please pray for their other brother to be saved.

While I was in Ethiopia I was able to visit BIO Missionary Gomeju Tafesse and the VICKtory School for the Deaf. I toured the completed building and listened to the good reports of the things that God is doing through them.

This busy summer would not have been possible without your faithful prayers and your financial support. Thank you for your partnership with us. We appreciate your investment in our lives and ministry.

Personally we would like for you to pray for Nicole as she manages her Rheumatoid Arthritis and Fibromyalgia. We pray that God continues to bless you as you serve Him!

Thank you so much for your prayers and support. We love you and pray for you!

John 10:16 "And other sheep I have, which are not of this fold: them also I must bring, and they shall hear my voice; and there shall be one fold, and one shepherd."
