Dear Supporters, Family, and Friends,

Our next prayer letter will be written and sent from Brazil! We are exactly one month away from our departure date and can't wait to get to Brazil and get to work there! Please pray for us as we travel to GA, MO, MI, and TN this last month, as we don't have a home to return to anymore. We will be on the road until we leave on October 4th.

We have already rented an apartment in Brazil and look forward to settling there in just a month. The Lord has been taking care of us in a special way. The real estate agent who helped us rent the apartment had a friend who was selling brand-new furniture from a house she was moving away from and decided to sell it to us for a fraction of the price! Praise the Lord!

We have been busy here in the States and are humbled to see God work. We've been able to go door-knocking alongside multiple churches and were blessed to share the gospel with multiple people. These past months, we have seen souls come to Christ, and many have had reassurances of salvation. We will miss serving the Lord here in America, but we are excited to see the Lord use our lives to lead Brazilians to Christ!

Last week, we found out that **we are expecting a little girl!** We can't wait to meet our little baby, who is due on the 17th of February. Her name is Hannah Lee Barrett. Your prayers mean the world to us. Abby has been feeling a lot better with her morning sickness. She and the baby are both doing fine.

Once again, thank you so much for praying for us as we finish our last month of deputation. We are close to reaching 100% of our support goal and trust the Lord to help us achieve our goal during our last month of traveling.

May the Lord richly bless you. Thank you for your faithful financial support and your prayer support. We are honored to be partnered with you to accomplish the work the Lord has for us to do.

Joyfully in Christ,

Stephen and Abigail Barrett
