2024 Year-to-Date Fires

Our conference ministry has continued to be used of the Lord. Since our last letter we have had conferences in...

Bogota, Colombia

Surrendered to Full-time service in Chile

El Salvador, Colombia, Honduras and Chile. More than 206 pastors, leaders, and workers received at least 109 lessons or messages in these four conferences. We saw an amazing response to God's working in Chile where 60 brethren surrendered their lives to serve the Lord in full-time service. Yay! More workers for HIS harvest. We know of at least 38 salvation decisions too.

Our next conferences are in Guatemala and the Philippines in November. In December we go to Jujuy, Argentina and Managua, Nicaragua. Lord willing, I will be participating in the conference in Argentina. Please be praying for these conferences and the speakers.

Prayer Needs

We continue to appreciate your prayers for my brother Ed. He finally got to go home after more than two months of intensive and rehabilitative care from his heart surgery. But now this week he came down with pneumonia and an infection and has been hospitalized again. Pray for God to work wonderfully in his body.

Please be praying for our country and the elections. May God raise up leaders of noble character.

"On the Road Again"

In the midst of our busy season of Fires conferences, God has been pleased to give Robin and I opportunities to minister to a few local churches in the US. We participated in a missions emphasis Sunday at Bible Baptist Church in Kingsport, TN at the end of August. It was a sweet time with the other missionaries and to feed our friendship with Pastor Wagner and his wife.

In September, we went to Mountain View Baptist in Birmingham where we did THREE combined Spanish-English services. Whew!! What a challenge. I brought messages translating for myself in each one. Praise the Lord! Pastor Rouse seemed to be pleased with what was accomplished that day.

In October we traveled to Land O'Lakes, Florida for a special missions emphasis Sunday that was called "Christmas in October". It is named such (with all the decorations and music of the season) to raise special funds to give all their missionaries a special Christmas offering to help with personal needs each might have. It was truly a special day with a heart-warming spirit in those dear folks. This is something they have done for years and is a huge blessing to their missionaries. Pastor Peterson has pastored this work for 44 years, and he and his wife Denise were very gracious to us. In September we also were present for the celebration (in which we participated) of the 40th anniversary of Iglesia Bautista Reconciliacion, the church our son-in-law pastors in Margate, Florida. It is amazing what God has been doing there in these last two years.
