

Nov & Dec, 2024

A very merry and blessed Christmas to you all and a **prosperous and hopeful New Year** full of God's blessings, workings, and miracles.

Robin and I are so thankful for you, for your prayers, and for your faithful giving and encouragement. We are well and pray that you are too. As we enjoy our family with us in celebrating the birth of our wonderful Savior, we pray that your home is filled with His great peace, His comforting presence, and His constant joy.

Continue to pray for my brother Ed who needs God's hand of healing. Pray that God will provide us two new vehicles. Mine currently has over 300,000 miles and Robin's has over 212,000. Pray for our director's (Elmer Fernandez) wife's health. Her thyroid which was removed was found to have cancer. My laptop needs some software upgrades. Pray for funds to accomplish this.

Fires of Evangelism has finished this year with 28 conferences. God allowed us to see more than 1500 leaders influenced in our conferences. Over 700 salvation decisions were made, and 780 brethren surrendered their lives to serve the Lord in His harvest field of the world.

In November, our Philippines conference brought over 150 pastors and missionaries together. In December, our conference in Nicaragua saw a wonderful night attendance of 700 folks. The conference in Argentina in which I participated was used of God to do special things for the hosting church in which they saw God provide for them miracles of provision: renting a facility big enough for the conference, supplying beef and chicken to feed delegates that came, and offerings given to help cover travel expenses. They also saw an amazing working of God in their own hearts forming a oneness among church members that the pastor said has not been seen before. We had many thought-provoking lessons in the morning sessions and powerful sermons that God used to work His will in lives. An amazing 33 brethren surrendered to serve God in that conference. It was my first time to be in Argentina, and I am so grateful to have been a part of it...even though it took two days to get there and two days of travel to get back.

And to our precious Lord...all glory, laud and honor.

Yours in His service,

Victor & Robin Rouse
